

# Gingie

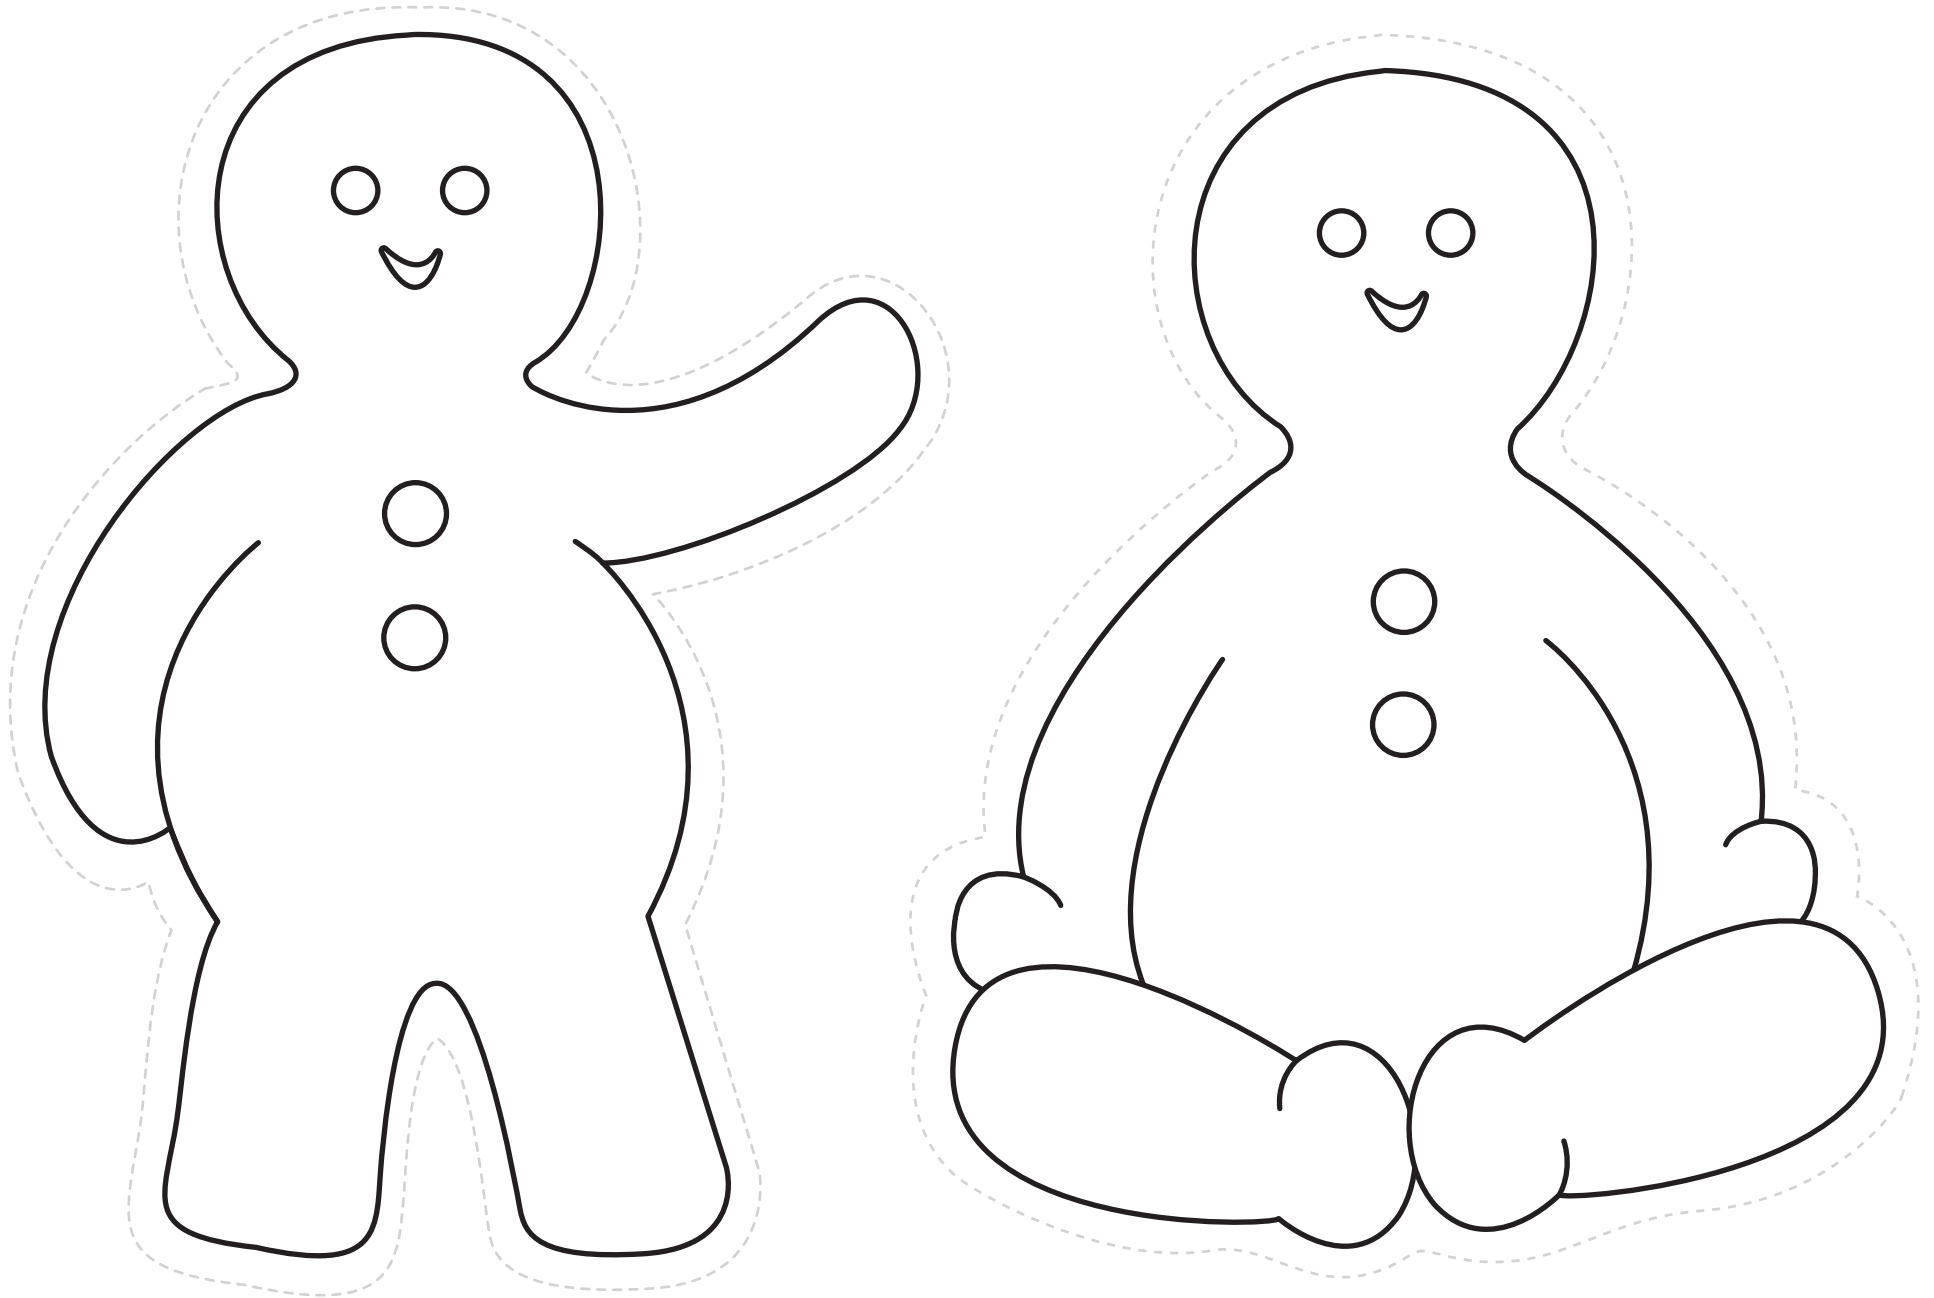

Meet Gingie! He usually loves to travel and see the world, but what's important now is to #flattenthecurve and stay home! He would love to be a part of your daily activities! Cut along the dotted lines, and add some of his accessories so he can join along! Or put him up in the window so he can wave to anyone walking by!

Want to change up Gingie's look? go ahead! Colour in Gingie however you wish!

# Gingie's Accessories

First colour in all of gingies accessories!  
Then, cut them out (ask an adult for help, if needed!) and dress up Gingie! Or if you want to get really creative, come up with your own accessories to add for Gingie! He always loves to try new things!

List of accessories: Spatula, rolling pin, icing bag, apron, book, paint palette, paint brush, hat, scarf, workout headband, workout arm bands.
